

# LAIKA PRESS

## Letterpress Quick Guide

136 Vesta St.

[laikapress.org](http://laikapress.org)

Letterpress printing is a technique of relief printing using a printing press, in which metal or wooden type blocks are used to make a repeated direct impression. We will be using a printing press alongside movable metal or wooden type and linoleum blocks to create an image on paper.

### EQUIPMENT

Morgan Line-O-Scribe proofing press  
carving tool  
brayer/ink roller

metal or wooden type  
linoleum block  
relief ink
